

The friend or neighbor who has given you this brochure is a participant in the **Music Association of Minnetonka**. MAM is a civic organization in the western suburbs dedicated to bringing people of all ages together, as performers and audiences, to share the joy and challenge of music.

During the past year, our 10 ensembles, both vocal and instrumental, have presented over 50 free concerts in the western suburbs. Join our mailing list to receive a postcard about future concerts. Call us at 952-401-5954 or email us at:

Although we are supported by the City of Minnetonka and many local businesses, a significant portion of our income is earned through fundraising activities such as this plant sale. We do not intend our fundraisers to be high-pressure activities. But, if you normally purchase spring plants, we would appreciate it if you would consider making this purchase through our organization. Simply fill out the order form and return it with your payment information or check made out to **MAM**.

You can also find over *seventy* additional items on our website at [www.musicassociation.org](http://www.musicassociation.org).
